

LVV 10 - Someone You Loved

Texte italique surligné : tenors basses / En gras : tous

*I'm going under and this time I fear there's no one to save me
This "all or nothing" really got a way of driving me crazy*

I need somebody to heal HA- HA HA - HA
Somebody to know
Somebody to have HA - HA HA- HA
Somebody to hold
It's easy to say HA HA HA HA
But it's never the same
I guess I kinda liked the way you numbed all the pain

Now the day bleeds Into nightfall
And you're not here To get me through it all
I let my guard down And then you pulled the rug
I was getting kinda used to being someone you loved

*I'm going under and this time I fear there's no one to turn to
This "all or nothing" way of loving got me sleeping without you*

Now, I need somebody to know HA - HA HA - HA
Somebody to heal
Somebody to have HA - HA HA - HA
Just to know how it feels
It's easy to say HA - HA HA - HA
But it's never the same
I guess I kinda liked the way you helped me escape

Now the day bleeds Into nightfall
And you're not here To get me through it all
I let my guard down And then you pulled the rug
I was getting kinda used to being someone you loved

And I tend to close my eyes when it hurts sometimes
I fall into your arms
I'll be safe in your sound til I come back around

I - tend - close my eyes

I - safe - in your sound

For now the day bleeds Into nightfall
And you're not here To get me through it all
I let my guard down And then you pulled the rug
I was getting kinda used to being someone you loved

But now the day bleeds Into nightfall
And you're not here To get me through it all
I let my guard down And then you pulled the rug
I was getting kinda used to being someone you loved (x2)
